***We Welcome
You To All Of
Our Services!***

Father, Just this once, Lord, I want to come to you without problems, simply to say Thank you:

For your forgiveness when I fail.

For the sheer joy of sleep when I'm terribly tired.

For the silent strength of humility when pride overtakes me.

For the justice of your laws when men are cruel.

For the remedies for sickness when I am ill.

For the simplicity of orderliness when I face confusion.

For the assurance that you have made a place especially for me when I feel inadequate among my peers.

For the joy of helping others when I see people in need.

For the earthly evidences of your will when I'm trying to find out what life is all about.

For the reality of your world when I stray too far into fantasy.

For the rightness of reasonableness when I panic too quickly.

For the fun that refreshes when everything gets too serious.

For the renewal in moments of silence when I'm dizzy from being busy in a hectic world.

Thank you, Lord, for all these things, but most of all, thank you for your abiding presence that makes every day I live a day of thanks.

YOU SCRUMPTIOUS BEAST

Jason Sparks

There are so many ways we can find ourselves vulnerable to Satan's schemes. He is like a roaring lion, seeking whom he may devour. And he does not starve. There is always someone. There are always Christians who are having the off-days—and Satan knows how to make a bad day much worse. You are a scrumptious beast to him.

Oh, but it can't happen to YOU. Right?

The Bible often warns us of the dangers surrounding us, but the greatest danger is what we do not notice about God's word. *"Therefore, we must give the more earnest heed to the things we have heard, lest we drift away"* (Hebrews 2:1). *"Be sober; be vigilant, because your adversary the devil walks about like a roaring lion, seeking whom he may devour"* (1 Peter 5:8).

Pay careful attention to the Bible. When the word of God becomes precious to you, you will notice its fine points and you will treasure its teachings. You will not let go. If you do this, you will escape the attacks of Satan. And you must!

It's a matter of life and death.
